REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: the closest prior art of record fails to properly teach or suggest the presence of a scent vapor within the burstable bead as asserted by Applicant. The Examiner acknowledges Applicant's argument that substituting a vapor for the scent in the references applied would inhibit or destroy their functionality and therefore one of ordinary skill in the art would not be properly motivated to do so.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Krisanne Jastrzab (formerly Thornton) whose telephone number is 571-272-1279. The examiner can normally be reached on Mon.-Wed. 6:30am-4:00pm and alternate Fridays.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Robert J. Warden can be reached on 571-272-1281. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
